

24/25

## Online Course Options

Below are the available course options for middle school and high school students for the 24/25 school year. Please note that all courses are offered with a teacher unless otherwise designated with CI (Course as Instructor). All courses can be offered as credit recovery unless designated with TR (Teacher Required). Additionally, there are some extra course options listed below for your consideration. We encourage all students/school district leaders to review these offerings carefully when submitting their course requests. If an option is not available below, contact the ACE office as we are updating and adding classes/options throughout the year. Also, if there are specific questions about the course offerings, contact an ACE staff member prior to submitting the form.
