### **Compass Home Page Features:**

**Assignments:** Icons with the gold ring, and the word assignments under it, are specific to you. DO NOT do any subjects that do not have the gold ring around it or the word assignments.

**Task:** Enter into and view an assignment.

**Portfolio:** This icon can be used to run reports and check status.

**Task:** Enter into the portfolio and view your recent work, what assignments you have to complete, and run a report.

**Odyssey Writer:** This is the writing program in Compass. All odyssey writer assignments are saved here and can be opened, edited, and sent to the teacher as requested.

**Task:** Enter into odyssey writer and create and save a project.

**Tool Kit:** This is a place that has documents and resources for the assigned courses.

**Task:** Enter into the tool kit and view the documents and resources that can be used.

**Activity Finder:** Enter the activity code and click the arrow to be able to redo or review a lesson.

**Task:** Find the activity code in the portfolio for a lesson you completed and enter it in the activity finder to review a lesson.
