### Apolopalooza (Apollo Open House):

Thursday, April 6, 2017  
5:30-7:00 p.m.

Tour the campus, see the classrooms, and meet the teachers. This is a great opportunity for parents and students to see what a Career Center has to offer.

ACE students can attend Apollo for 100% of their school curriculum, or attend Apollo for the labs (50%) and then complete their ACE core classes (50%) online.

### Graduation Celebration:

On Wednesday, May 31, from 4:00-6:00 p.m. we will be celebrating our current graduates. This will be a family event, and will include a recognition celebration for our graduates, including snacks and a time to evaluate the year. More information will be forwarded as the time gets closer. We are proud of our students and the strides they have made to be successful! Please let Mrs. Cubberley know how many plan to attend.

### Enrollment for 2017-2018:

Starting in April we will have Re-Enrollment information available for our current students along with a calendar for next year. This allows us to plan over the summer and get schedules created & courses loaded before we start back. Re-enrollment is required for community schools; why wait until August!
