Parent Surveys:

We are conducting a survey of our parents for our upcoming AdvancEd Accreditation review in February. You can access it through Schoology or go directly to the link at:

<http://www.advanc-ed.org/survey/public/2399722>. Please complete the survey by December 1.

Coffee Break with Carrie:

On October 6 we held our first parent event for open discussion about ACE Academy's programs, students, etc. Our next event is scheduled for **Thursday, December 1 at 8:30 a.m. and 12:30 p.m.** This allows parents/guardians the opportunity to discuss with Carrie Cubberley and other adults while the students attend tutoring. Please feel free to stop in for 5 minutes or an hour to chat and relax. We will have the coffee & treats ready!

Student Snack Break:

And to involve all of our students, we have planned an hour-long event for them to come in and socialize! On Tuesday, **November 29 from 11:00 a.m.-12:00 p.m.** (between the two tutoring sessions) we will provide salty & sweet snacks and water for our students. Students are welcome to bring a sandwich & drink to make it their meal. We will play games, they can chat, and share video game hints.

Local Job Opportunities:

With the connections of our board members, we now have access to local job opportunities that can benefit our students and families. As we get those postings, they are printed and put on the bulletin board in the ACE hallway. They are also posted on our webpage under the *Parents & Community* tab. Jobs come from the counties of Allen, Auglaize, Darke, Hancock, Mercer, Miami, Logan, Seneca, Shelby, Putnam, and Wyandot.

You can also get to Job/Career Websites such as Hometown Opportunity, Ohio Means Jobs, and USA Jobs.

Family Resources:

Jen Korte & Carrie Cubberley have attended the monthly Open Gate programs in Auglaize & Mercer Counties to connect with parents & other organizations. Information has been gathered from other organizations/service groups that may assist some of our families. We have added that information in the *Parents & Community* tab on our webpage.
